Trial Progression

Limagrain UK Trials

PINNACLE has been tested in Limagrain's UK trial network for 2 years. This includes 4 different locations and 4 separate trials. It is in test again this year around our network of 6 locations.

Official UK Trials

PINNACLE (LZM165/83) was entered into the BSPB/NIAB trials series in 2015. It has completed NL1 and is now in NL2 trials in the UK.

Other Official Trials

PINNACLE is a UK specific variety.
